

ATTENTION EDUCATORS

WANT TO TEACH COMPUTERS?
NEED TO TEACH COMPUTERS?

If so, you will be interested in a workshop
to be conducted locally at no cost.

DATE: February 24, 1967

TIME: 8:30 A.M.

PLACE: Geo. Westinghouse Vocational & Tech. High School
175 Johnson St., Brooklyn, N. Y.

FABRI-TEK Incorporated, manufacturer of computer education systems will lead
this all day workshop with the objective of :

1. Making you more aware and comfortable in the new world of data processing.
2. Giving you "hands on" experience in programming computers.
3. Familiarizing you with the available course material.

To make your reservation, please fill in the space below and mail back to:

TECH-AID, INC.
1551 Franklin Ave.
Mineola, N. Y. 11501

Yes, I plan to be at your computer education workshop.
